

Steve Watkin

DIRECTOR OF LOGISTICS

Steve Watkin is Director Logistics for the LCST Programme within the Logistics Division for Leidos UK.

Steve joined Leidos in March 2019 as a part of the Business Development team and was appointed Director Logistics in February 2020. Prior to joining Leidos Steve worked with Ritchie Brothers Inc for three years, a North American vehicle and equipment sales organisation. Prior to this he served for 39 year in the Armed Forces. His last job in the Army was as the Brigadier running Logistic Services responsible for: UK and North West Europe storage and distribution, British Forces Post Office, and the Disposal Sales Authority which sold all MOD surplus equipment and materiel from aircraft carriers to socks.

Steve is married with a son and in his spare time enjoys road cycling, sailing and birdwatching.
