

As we dive into the New Year, we are reflecting on all of the challenges that Leidos and our great employees overcame in 2020. We want to also thank you, our Alumni, for helping us build a successful foundation that has supported the company over the past 50 years. We hope that you all have a happy, safe and healthy 2021!

Everything we do is built on a commitment to do the right thing for our customers, our people, and our community. Our Mission, Vision, and Values guide the way we do business. Do these values still resonate with you? Check out our current job openings and consider rejoining our Leidos family!
